

SHREEJI ENTERPRISE

An ISO 9001 - 2015 Certified Co.

www.shreejigroupjamnagar.com

Company

ESTD 2009

Shreeji Enterprise is one of the most reputed and established Precision Brass Components Manufacturer, supplier & exporter. Providing services to the very best reputed organizations in India as well abroad countries.

We are manufacturing All alloy metals i.e. Brass, Bronze, Stainless steel(S.S), copper & aluminium Precision Components for various industries like Automotive, Electrical & Electronics, Marine Instruments, Aerospace, Gas & Oil Industries, Pneumatic & Hydraulic, Plastic Molding, and General Engineering etc. By the years of experience and broad vision towards the total Quality in every aspect, company has earned its own name in the Brass Industries, worldwide.

As per the organization policy modernization and technology up-gradation is always on the top priority of the management and has added a number of modern High Technology Machines and equipment's which has helped us to a great extent in enhancing and providing an outstanding product satisfaction of best Quality parts to all our esteemed clients to meet their specific industrial requirements.

Quality

We providing the best possible product / service to customers. We focus on improving the processes to deliver Quality Products to our valued customer.

TEAM MEMBERS

We are Supported by a team of industry Professionals, who have with them sound process knowledge. Our mechanical engineers and technicians are well versed with the manufacturing and assembling process. Their process skills help us in fabricating high performance Casting in fast tempo of society and technology innovation.

- Mechanical engineers
- Rich market expertise
- Unmatched product quality
- Innovative designs and features
- Very competitive prices
- Ability to provide customized solutions
- Efficient distribution network
- Swift delivery of products
- R & D personnel
- Quality analysts
- Skilled staff

LEAD THE WAY WITH DADICATION

Dedication that few will pursue. Our future depends on the dedication of individuals to lead the way for the quality we wish to achieve. Methodology, management & consistency of process provide the environment for achieving perfection. We go far beyond 100% measurement of components; its commitment to achieving perfection in all aspects of manufacturing and is reflected in our customer satisfaction with our products.

We are one of the best manufacturers who have been constantly innovating in terms of manufacturing processes. We have a team of engineers constantly working to produce the best products. We deploy special processes like Shot - Peening to ensure the best quality to our customers. This highly controlled process ensures that components receive the same level of treatment for a consistent compressive surface stress that helps to increase fatigue resistance.

AHEAD IN EARNING A HIGH LEVEL OF CUSTOMER SATISFACTION

The manufacturing unit of Shreeji Enterprise is having number of automatic, semi-automatic machines and Manually Operated Machines which are installed to manufacture a diverse and some of critical range of brass products. Our Products follow extensive quality control measures to ensure that the utmost satisfaction of our customers.
